

1987 STEAM UPS

COLORADO RAILROAD MUSEUM

Colorado's oldest operating narrow gauge steam locomotive, #346, will be steamed up on the dates listed below. Two of the Rio Grande Southern's Galloping Geese will also be used at times.

Weekends of —

April 11-12

- Commemorating last Colorado & Southern narrow gauge stock train, will use the sole surviving stock car and a C&S 4-wheel caboose.

May 23-24-25

- Rocky Mountain Railroad Club will have a trip this weekend behind UP Challenger #3985

July 11-12

- During the annual Railfair.

August 22-23

- A weekend of crew training and switching with various train consists.

October 3-4

- A Union Pacific steam trip will be run by the N.R.H.S. during this weekend.

December 5-6

- "Santa Claus" runs. The annual days for all kids up to age 90.

NOTE: If we get enough snow and time to assemble crew and steam up we will have a "flanger" train operate. Account it will have to be very short notice, we will call persons leaving their phone number with us. A very special operation!
